About Us

The **Boost Duwamish Valley**, supported by the **City of Seattle's Office of Sustainability and Economic Development**, uplifts businesses, community programs, and organizations that serve **Georgetown and South Park**. The program helps local entrepreneurs and small businesses grow, creates **opportunities** for residents, and ensures that the community thrives together.

Our Neighborhoods

Your **talent** has a place to flourish in these neighborhoods, Georgetown and South Park. This brochure highlights accessible **opportunities for jobs, internships, and education in the arts, technical fields, and manufacturing**. The river—once an engine of industry—now symbolizes movement and **new beginnings**.
